

EL CAMPELL

approx. 7 km, 200m asc, 3 hrs.

A varied circuit, mostly on woodland trails, but with some fine views.
The start is by the former leper colony of Fontilles, well worth the detour to see.

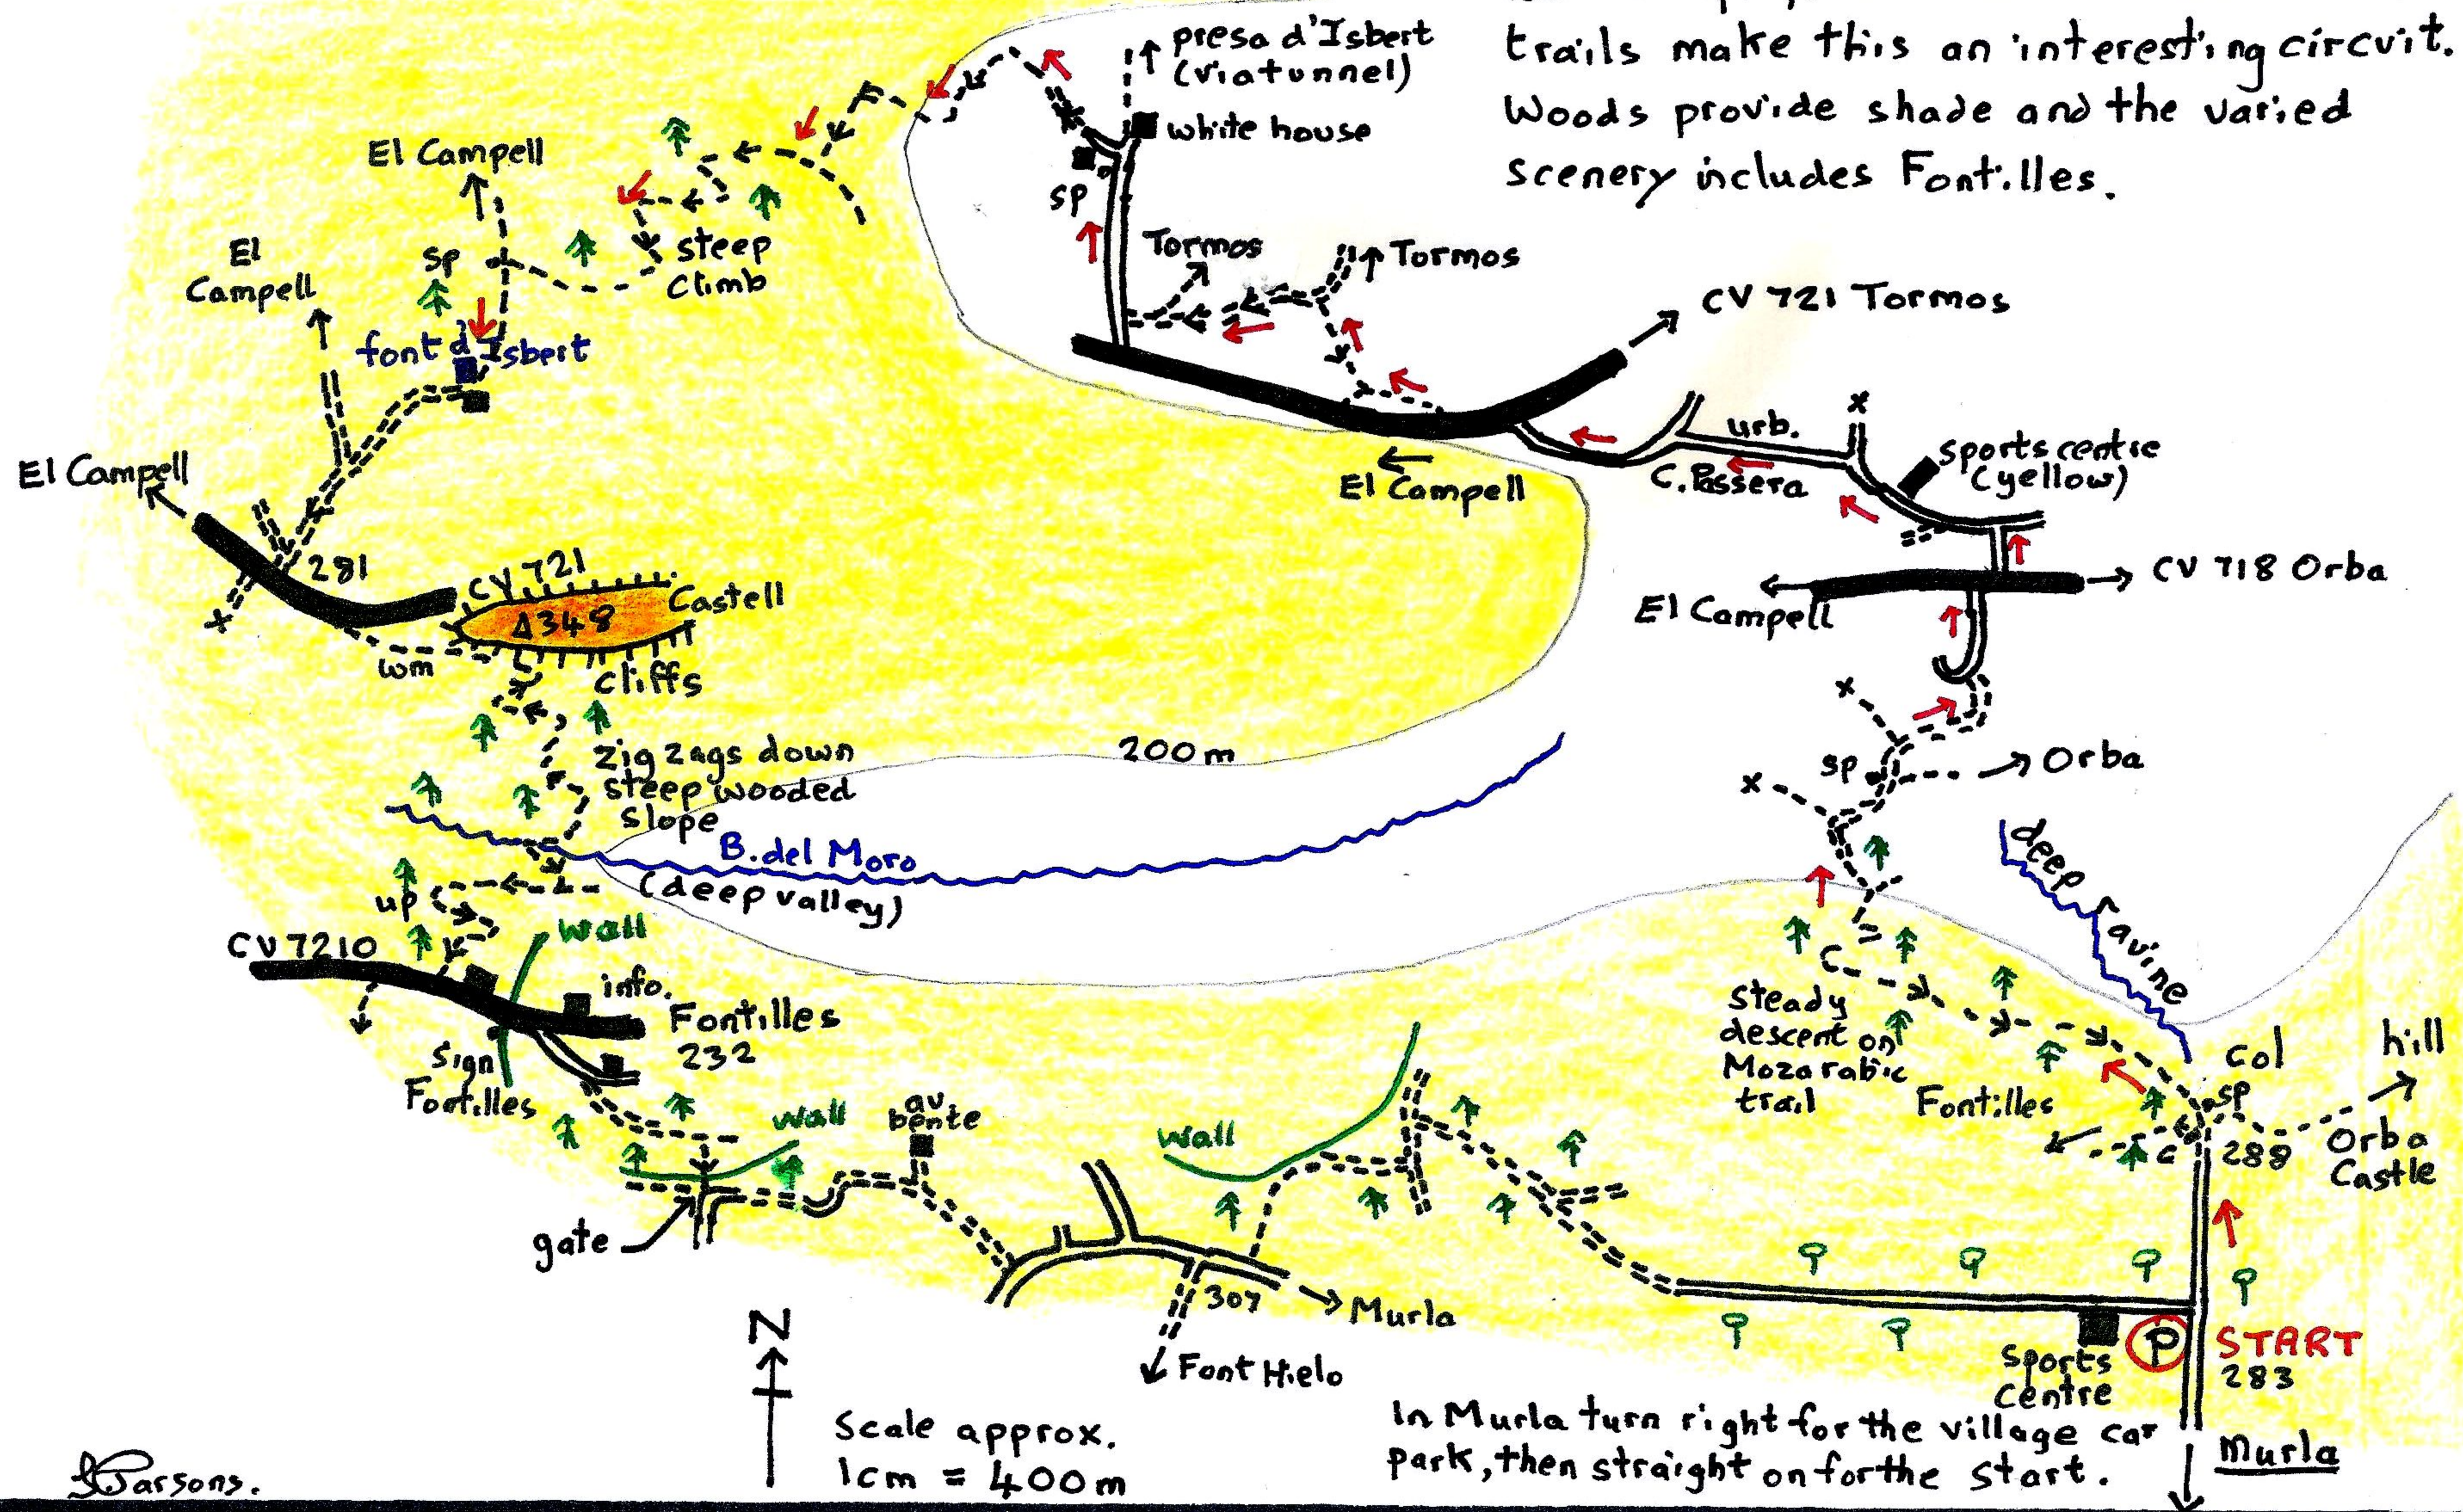

(2016) Parsons

FONTILLES GRAND CIRCUIT

Approx. 12km, 350m asc, 4hrs.

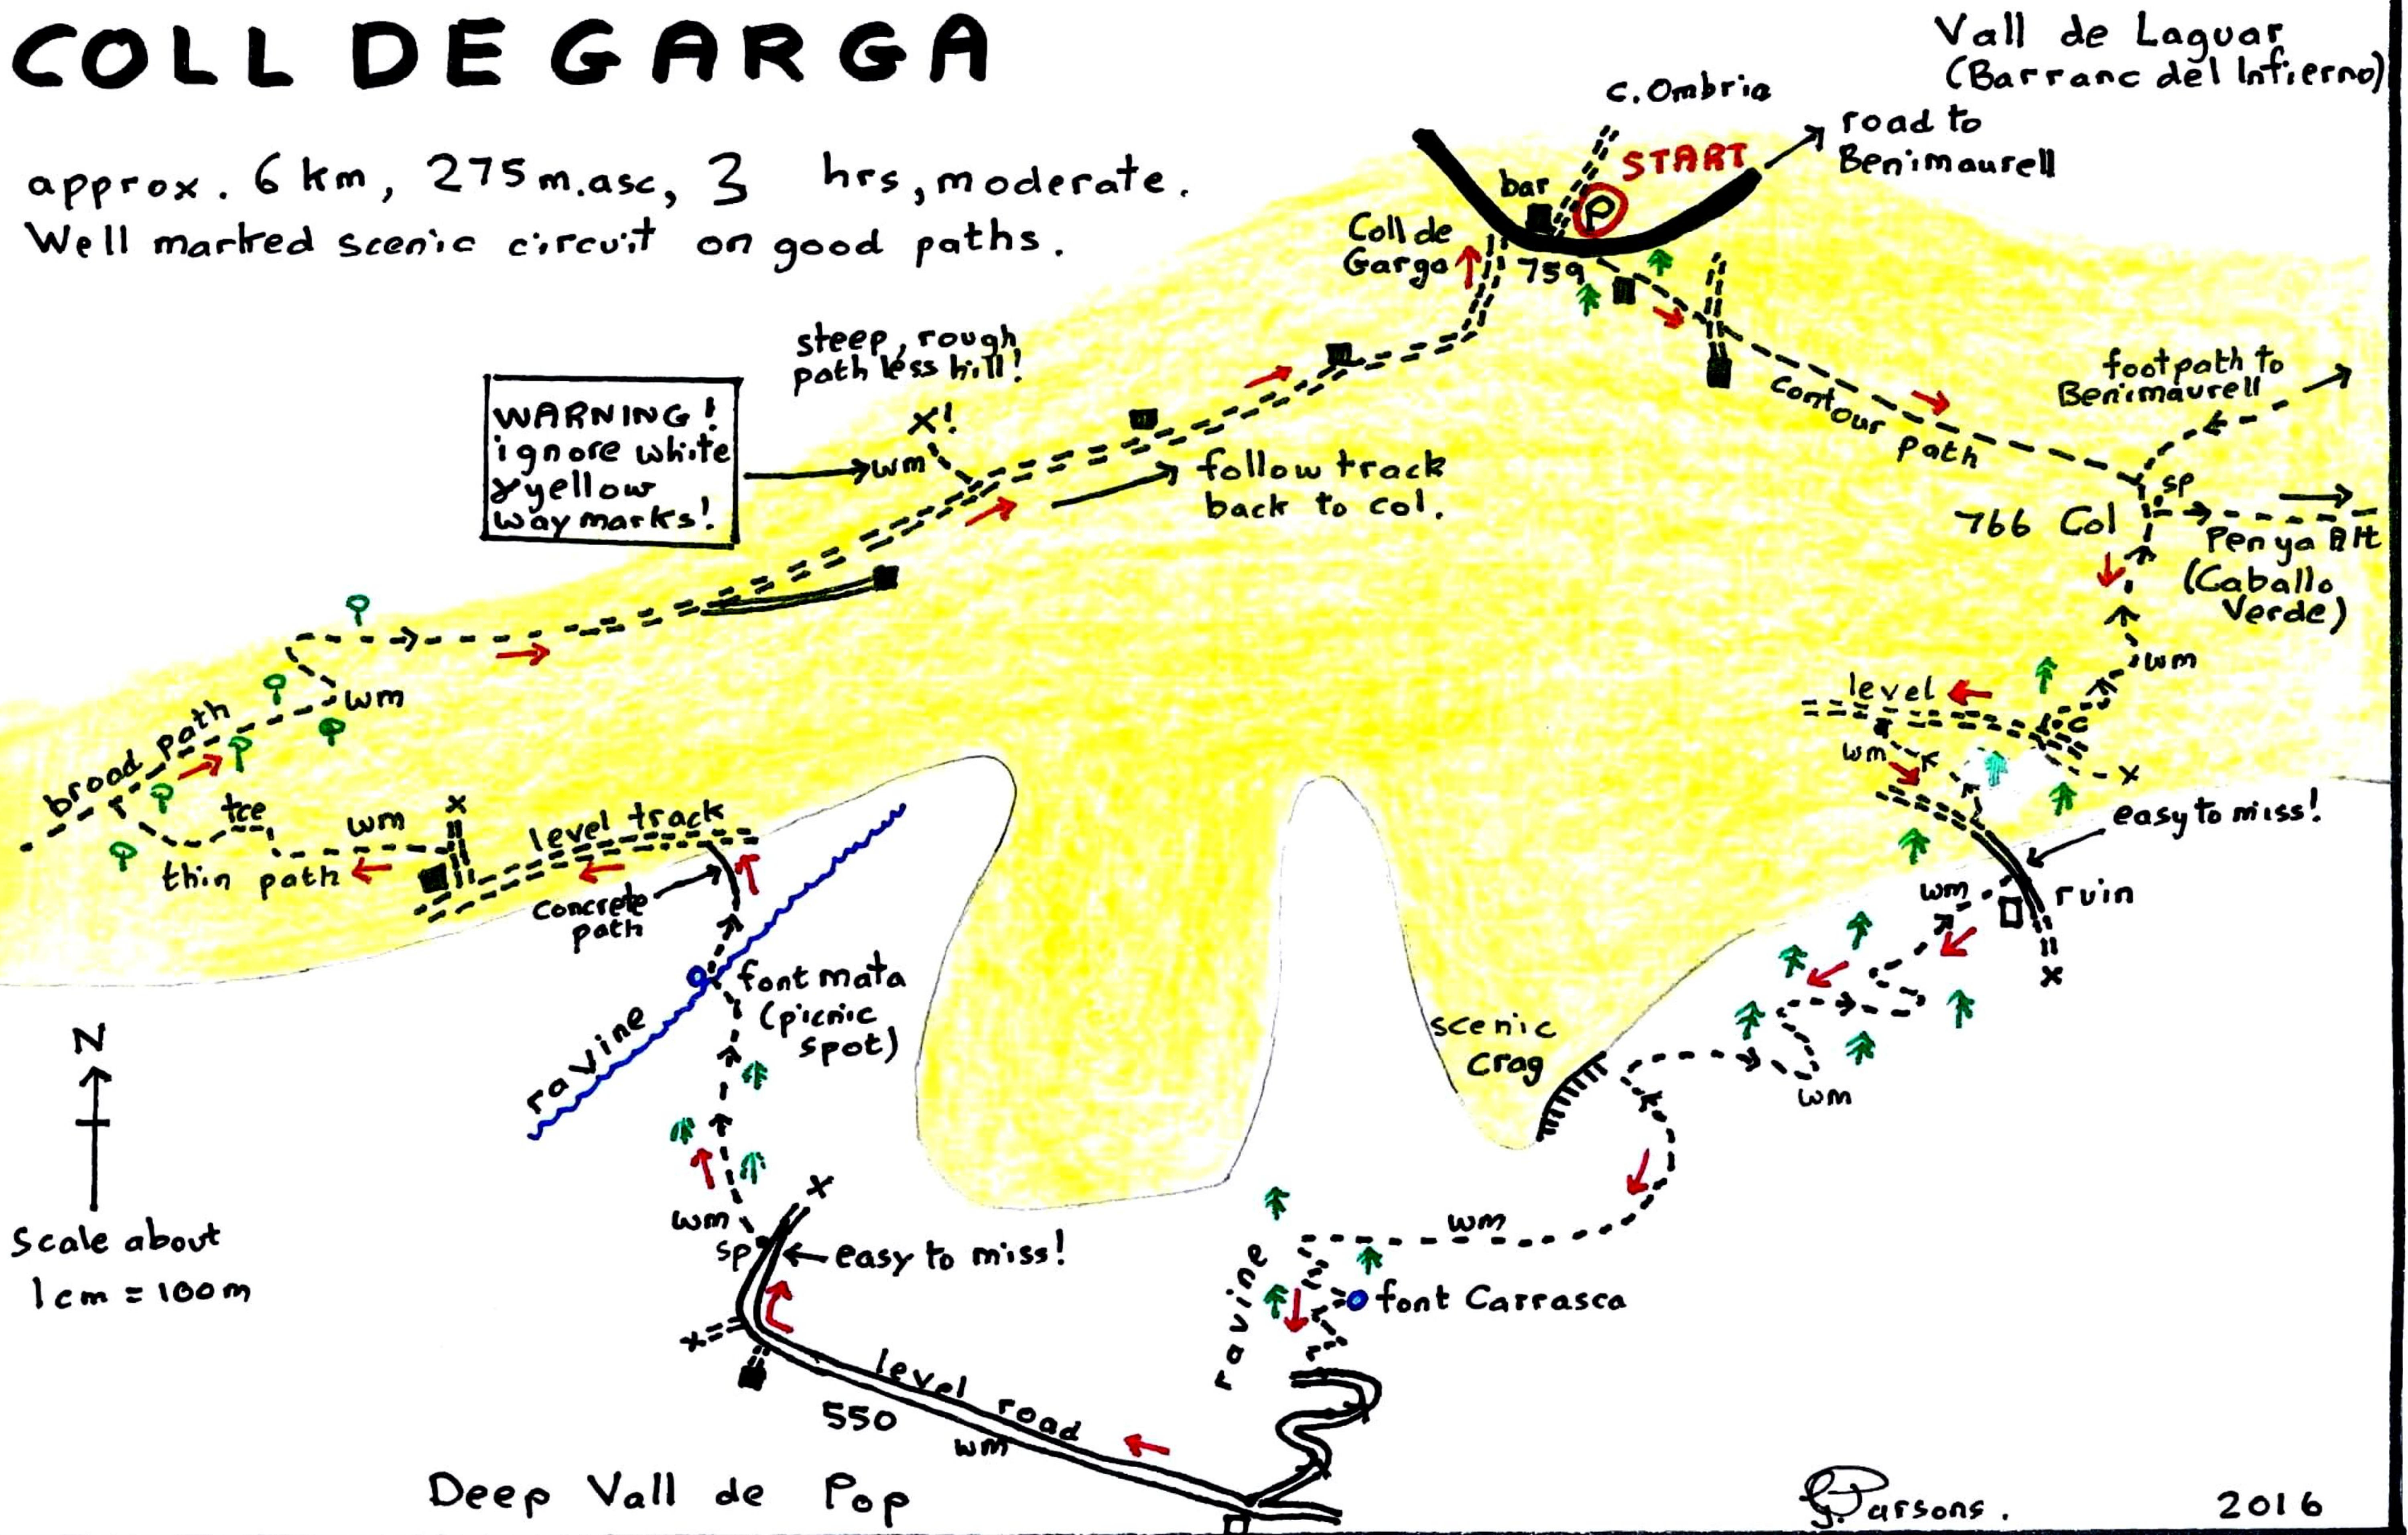

Lots of ups, downs and twists in the trails make this an interesting circuit. Woods provide shade and the varied scenery includes Fontilles.

2016 Parsons.

COLL DE GARGA

approx. 6 km, 275m.asc, 3 hrs, moderate.
Well marked scenic circuit on good paths.

PENYA BLANCA (Benigembla)

moderate, 'there and back',
approx. 8 km, 350m asc, 2 1/2 hrs.

A longish walk up a quiet, green
valley, mostly on an unsurfaced track.
Unfortunately, however, the font is not
an attractive picnic spot. If you
want a longer walk then
start further away!
