PENYA DELS CASTELLETS - Finestrat

Approx. 8 km, 200m asc, 2½ hrs.
Easy moderate circuit.
The Last Tooth in the Shark’s Tooth Ridge dominates the walk.

On the walk one’s eyes are drawn to the sharp pinnacle of the Castellets (L) and the huge rock pyramid of Puig Campana (R), seen end-on, with the notch hidden.

Finestrat
An interesting old town with its hanging houses, cobbled squares, stepped streets and citadel. See map F7
ORCHETA CANYON
Approx. 8 km, 200m asc, 2 1/2 hrs. Easy Moderate Circuit.

This is an easy, but varied and interesting circuit. The paths cross the lush, vegetated valley bottom, pinewoods and open hillsides with views of spectacular, rocky pointed peaks and the massive bulk of Puig Campana.

FINESTRAT TO NUCIA PARK

Approx. 12km, 600m asc. 5hrs. (one way)
Long, hard linear walk (one way)

This walk is ideal for those staying in Benidorm who want a long walk but lack a car. Start by catching the daily bus to Finestrat village and walking up the road to Font Moli. From there the route is all on good paths and tracks over the Col de Pouet behind Puig Campana, with fine mountain views, and down to the CV-70 near Nucia Park for the hourly bus back to Benidorm.

ORCHETA MISCELLANEOUS

* Approx.
8 km, 2.5 hrs
250 m asc

Scale 1 cm = 150 m

As named the route is a mixture: small hills (with fantastic views), farmland and open countryside and the historic centre of old Orcheta. It is a 'casa and campo' walk.

The walk can easily be shortened by leaving out optional hill climbs and loops.
